ICI PROJECT

OBJECTIVES

Creating **enhanced awareness and engagement** at Higher Education Institutions pertaining the need for an inclusive and comprehensive approach to internationalisation.

Enhancing the capability of actors within HEIs to act as **co-creators of inclusive, comprehensive approaches to internationalisation** and to **collaborate across the boundaries** of their own area of professional expertise, academic discipline, and of different international and intercultural contexts.

Promoting **critical approaches to internationalisation**, aimed at evaluating the inclusivity of an institution and at uncovering the 'hidden' messages that undermine the inclusivity of internationalisation activities.

Promoting the adoption of **virtual and blended modalities for digital, comprehensive and inclusive approach to internationalisation** ensuring long-term quality, coherence and efficiency.

PROJECT MAIN RESULTS

1. A definition, a **framework and a self-assessment tool** for inclusive comprehensive internationalisation at higher education institutions.

2. **Guidelines** for self-assessment of inclusive internationalisation learning opportunities.

3. A **training course** that can be used to implement an inclusive comprehensive internationalisation approach at higher education institutions.

4. A **manual** to implement the ICI Training Course.

5. An **institutional roadmap** of good practices that will help those willing to implement an inclusive comprehensive internationalisation approach to do so.
